

Unearthed Arcana: Feats for Skills

This Is Playtest Material

The material here is presented for playtesting and to spark your imagination. These game mechanics are in draft form, usable in your campaign but not refined by design iterations or full game development and editing. They aren't officially part of the game and aren't permitted in D&D Adventurers League events.

If we decide to make this material official, it will be refined based on your feedback, and then it will appear in a D&D book.

- You gain proficiency in the Animal Handling skill. If you are already proficient in the skill, you add double your proficiency bonus to checks you make with it.
- You can use a bonus action on your turn to command one friendly beast within 60 feet of you that can hear you and that isn't currently following the command of someone else. On a success, if a creature spends a Hit Die during this rest, that creature can forgo the roll and instead regain the maximum number of hit points the die can restore. A creature can do so only once per rest, regardless of how many Hit Dice it spends.
